Continuance of the temporary establishment
of four peons for the collection of octroi
in the chentaman Municipality

From

The Dy Commr Kolar Dt
No A S C 329/46-47 D/3647

Recommends certain proposals regarding
the continuance of the temporary establish-
ment for the collection of octroi in the
chentaman Municipality

1) The Dy Commr Kolar Dt Reports that
the chentaman Town Municipal Council
appointed four peons temporarily for the
collection of octroi in the town. This was
objected to in audit during 1935 for want
of appropriate sanction. The Municipal Council
after a lapse of ten years resolved on 31-7-45
to request sanction for having employed
the staff till the end of June '46 and
its further continuance till the end of
June '46.

2) Since there ~~are~~ are 5 octads in the
town, ~~and~~ the four peons appointed were
found inadequate for the work, the Municipal
Council ^{further} resolved on 23-4-45 to appoint
an additional peon, and again on 30-12-45
to increase their pay to Rs 15/- each in view of the
increased cost of living.

3) The DC considering the facts of

7852/2

renew the Correspondence after having employed the Staff for more than 12 yrs. Recommendation sanction ~~for~~ to the employment of the ~~Staff~~ ^{four persons} till the end of June '45 to Regularise the ~~and~~ ^{irregularities} and to its continuance till the end of June '47 on a pay of Rs 10/- only, subject to Separate investigation and Report on the matter of placing this temporary establishment on a permanent basis with effect from 1-7-47 ^{as also} the question of increasing its strength and pay it is however stated that provision is made in the sanctioned budgets each year for this Staff

4) The cost of the establishment works out to Rs 40/- p M or Rs 480/- per annum exclusive of the G.A. if any, paid to them

5) The abstract figures of the sanctioned Budget of the Municipality ^{with M} are as follows

Closing Balance —	Rs 38,970
Receipts —	Rs 90,302
Total —	Rs 1,29,272
Expenditure —	Rs 1,02,269
Closing Balance —	<u>Rs 27,003</u>

6) points for order are—

1) Sanction to the Staff of four persons be on employed on Rs 10/- each by the Municipality till the end of June 1948 to meet the ~~and~~ ^{urgent} requirements

2) Sanction to the continuance of the above temporary Staff on the same pay till

7852/1

the end of June '47

7) The Resolution of the Municipal Council is for the continuance of the Staff to the end of June 1946^{only}, and the B's Recommendation for its further continuance to the end of June '47 is not supported by a Resolution of the Municipal Council

(2) Since the entertainment of the temporary establishment in question is stated to be quite necessary for the collection of octroi, sanction for the employment of 4 peons may be accorded to regularise the objections raised in audit in this connection. From the audit note on the accounts of the Chintamani Municipality for 42-43, it is seen that objection has been taken for the entertainment of 5 peons on Rs. 10/- each without sanction of Government and it is not understood why the President, Chintamani Municipality, has stated that only 4 peons have been working and that the 5th man had not been appointed at all.

Kolar, Dated the 3rd June 1947

To

The Secretary to Government,
Revenue Department, Bangalore

Subject Continuance of temporary establishment of
Four Peons for the collection of Octroi in
Chintamani Municipality

I have the honor to state that the town Municipal Council Chintamani appointed Four Peons temporarily to look after the collection of Octroi at the toll gates in the town. It was observed by the Local Auditors who audited the accounts of this Municipality during 1935-36 that sanction of Government was not obtained for the appointment of the temporary staff noted above and therefore the expenditure incurred in this behalf was kept under objection. No action seems to have been taken by the Municipal President since then to obtain sanction of Government though the objection was repeated every year from 1935-36. During the year 1942-43 the auditors once again repeated ~~xxxxxx~~ from this objection and in pursuance of this, the Municipal Council, Chintamani at their meeting held on 31-7-45 resolved that sanction of Government may be obtained for having employed the temporary staff till the end of June 1945. Again, at their meeting held on 31-7-45 they resolved to continue this staff till the end of June 1946.

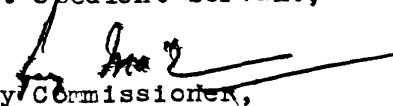

The question of continuance of the staff was referred to this Office for the first time on 23rd September 1946 and it was noticed that the records were ~~xxx~~ incomplete in as much as the information as to when the temporary establishment was first entertained was not available. The President was requested to furnish this information and also submit the connected references, if any, available, but the president reports that no references are traceable in the matter. However, it is seen that due Provision is made in the budget estimates of each year for this temporary staff and the same sanctioned by Government. Only four Peons are now working and the rate of

pay given to them is Rs. 10/- per month

The Council have stated that there are 5 Ookads in the town and it is not possible for 4 persons to attend to Octroi collection at the five gates and that therefore 5 peons may be appointed and their salary also, increased to Rs. 15/- per month. The continuance of the Octroi Peons without proper sanction of Government is irregular and this irregularity is perpetrated from 1935-36, even though the auditors pointed out the irregularity for the first time during 1935-36. No satisfactory explanation is given for this irregularity. The temporary establishment is being continued for more than 12 years and there is no use in pursuing the correspondence.

I request you to kindly obtain sanction of Government to regularise the action taken by the Council and to sanction the continuance of this temporary establishment of four Octroi Peons till the end of June 1947. There is need for an additional peon to attend to Octroi collection in the fifth Ookad and this will be investigated by me and I will submit a separate report in the matter of placing this temporary establishment on a permanent basis with effect from 1-7-1947. I am also taking action to find out the Officials responsible for this inordinate delay and gross negligence and take suitable disciplinary action. Meanwhile the temporary staff may kindly be continued till the end of June 1947 on a pay of Rs. 10/- per month only. The necessity for increasing the pay of these peons as resolved by the Council will be separately investigated and report submitted. The records received from the President, Chintamani Municipality with his No. A C 44/44-45 also accompany.
